Tinea or Foot Odour?

Provide a healthier in-shoe environment for your feet.

Kill up to 99.9% of the germs that cause foot infections.

Help keep at-risk feet safer.

SteriShoe®

the world's first
ultraviolet shoe sanitizer

The Steri Shoe® sanitizer provides a healthier environment for your feet by sanitizing the inside of your shoes. It's clinically proven to be effective in killing up to 99.9% of problematic microorganisms!

The Steri Shoe® shoe sanitizer kills the organisms that cause:

- Toe nail fungus
- Athlete's foot
- Offensive shoe odor

Plus, Steri Shoe® is:

- Accepted by the American Podiatric Medical Association
- Very easy, safe and convenient to use
- Chemical and drug free

Ask your doctor today about making Steri Shoe® part of your complete foot care.

Visit us at www.sterishoe.com or email info@sterishoe.com to learn more.
